Mairi Redmond
Senior Client Director

Mairi joined Meritus in 2020, and now as a Fiduciary Director, is responsible for a team that provides services to a portfolio of trust and corporate services clients, both local and international. She has more than 23 years of experience with private clients, high net worth individuals and families and various types of trust and corporate entities, including partnerships and overseas companies.

Mairi is also well versed in the incorporation process in Bermuda and can assist with the incorporation process in other jurisdictions and ensuring that all the statutory and regulatory requirements under Bermuda legislation are met.

Mairi's knowledge and experience around corporate governance and compliance for local and international entities ensures that her clients meet all the best practice standards. She has assisted in restructuring and reorganization projects for various corporates and trusts. Mairi is also fully conversant on the AML/ATF legislation as well as Bermuda's position in terms of FATCA, CRS and Economic Substance.

Mairi is a member of STEP.
